### Magnolia's Hope (2019)

director **A.J. Tesler**

Country: USA  
Genre: Documentary Feature  
Topic: Rett Syndrome  
Length: 01:00:00

When three-year-old Magnolia Tesler was diagnosed with Rett Syndrome, her parents didn't know what to do. This intimate documentary follows the Tesler family as they spring into action in an effort to cure their daughter from a rare, debilitating disorder.

### Fiona Humphrey (2019)

director **Thomas Joudi**

Country: USA  
Genre: Documentary Feature  
Topic: Sanfilippo Syndrome  
Length: 01:19:00

Fiona Humphrey (9 y/o) suffers from Sanfilippo Syndrome, a rare form of MPS that is slowly destroying her abilities and will ultimately kill her. Her adolescent sisters Paige and Heather function as parents when their father Randy is working at Cracker Barrel. This is a look into their life, and the sacrifices they make to be happy.

### 27 First Years (2018)

director **Jussi Sandhu**

Country: Finland  
Genre: Documentary Short  
Topic: Multiple diagnoses  
Length: 00:29:00

A disabled man moves away from his childhood home, leaving his aging mother to live alone for the first time in her life.

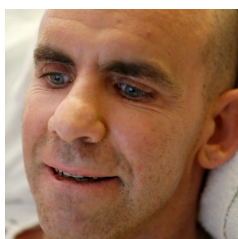

### Birthday (2016)

director **Dimitris Katsimiris**

Country: Greece  
Genre: Fiction Short  
Topic: Cerebral Palsy  
Length: 00:12:48

Marios, a young man with cerebral palsy, is waiting for his uncle, with his mother at home, to celebrate together his 22nd birthday. But the arrival of his uncle, with his new girlfriend, will upset the family and create a suffocating atmosphere in the place.

IN COMPETITION

### Be My Voice (2018)

director **Manjula Varghese**

Country: USA  
Genre: Documentary Short  
Topic: Rett Syndrome  
Length: 00:12:23

This is the story of Bernie Dalton, a 48 year-old single dad who had dreams of being a singer-songwriter. Shortly after starting voice lessons he lost his voice. After months of medical tests Dalton is diagnosed with bulbar-onset ALS. Faced with a fight for his life, Bernie decides to fulfill a lifelong dream of making an album to leave for his daughter.

### The Man of the Trees (2018)

director **Andrea Trivero**

Country: Italy  
Genre: Documentary Short  
Topic: Undiagnosed  
Length: 00:18:55

Daniel Balima is a senior horticulturist from Tenkodogo, a small Sub-Saharan African town in Burkina Faso, where he lives with his family. Daniel as a child falls ill with polio and, although growing without the use of his legs, he is able to follow his father in the family nursery, walking on his hands.

### Overexposed (2019)

director **Andrea Minoglio**

Country: Italy  
Genre: Documentary Short  
Topic: Erythropoietic Protoporphria  
Length: 00:20:00

What's your life like when your skin, like an ultra-sensitive film, gets burned as soon as you expose it to the slightest amount of light? "Overexposed" tries to tell and show the strange "love and hate" relationship that people suffering from Erythropoietic Protoporphria have with sunlight.

### Fraser Syndrome & Me (2018)

director **Kyle Anne Grendys**

Country: USA  
Genre: Documentary Short  
Topic: Fraser Syndrome  
Length: 00:19:43

Filmmaker Kyle Anne Grendys, is only the 75th person to be born with the rare, recessive gene disorder called Fraser Syndrome. Having always felt alone in the world, she sets out on a journey to find her community and finally meets others just like her.
